

MERCEDES BENZ,SPRINTER LWB WELFARE UNIT

£7,800.00 plus VAT

Something a bit different!! A fully specified incident control unit, direct from service with the rail company. Fitted with quality generator, various work lights. The interior is as new and unmarked,, with the drivers seat showing no signs of use or wear. Side Fiamma awning. The rear working area has a table and chairs, sink, night heater, carpeted etc. This will go straight to work as a support vehicle, or would be an easy conversion to a race van/ camper. With only 39,000 miles, the mechanicals are superb. Please call for a full walk around description/ video.
