MERCEDES UNIMOG U300 - 4.2 metre LWB - 54,000 miles

£45,000.00 plus VAT

SALE NOW AGREED.

An excellent very low mileage example of the best multi use hard core off roader ever built.

It is highly unlikely a nicer one could be found on the market today, it is in superb condition both in,out,top and bottom.

We have just completed a compehensive test drive lasting over 2 hours and can report that she drives as new.

Supplied with winch, aircon,semi auto 8 speed gearbox.
