

VOLKSWAGEN TRANSPORTER T6 SWB- AIRCON 150PS DSG

£19,999.00 plus VAT

We are delighted to have found this fantastic example .
VW T6 T/LINE with aircon and the smoothest DSG gearbox.

As you can see, she has been used on very light duties, by the ZIP Company who supply the boiling hot water tap.

So this has been the engineers van, carrying no weight and on very clean work.
We have the full service history record, consisting 4 VW main dealer stamps, we will then do the 5th service together with new cam belt and water pump prior to sale.
